About us

Langkah Inovasi Indonesia is a dynamic organization dedicated to the development of human resources and youth empowerment in Central Kalimantan. We are committed to fostering innovation and nurturing the potential of individuals to drive positive change and sustainable growth within the region.

Our mission is to bridge the gap between education, skills development, and real-world opportunities, particularly for the youth of Central Kalimantan. Through comprehensive training programs, mentorship initiatives, and community-based projects, we aim to inspire and equip the next generation with the tools necessary to excel in today's rapidly evolving world.

At Langkah Inovasi Indonesia, we believe that investing in human capital is the key to creating a prosperous and progressive society. We work hand-in-hand with local communities, government agencies, and corporate partners to build programs that focus on leadership development, vocational skills, entrepreneurship, and personal growth.

Our vision is to become a leading force in empowering the youth of Central Kalimantan, unlocking their potential, and contributing to the development of a vibrant and sustainable future. Together, we take bold steps towards creating an innovative and inclusive Indonesia.

Vision

To become a leading organization in empowering youth and human resources in Central Kalimantan, driving significant contributions to the Youth Development Index (Indeks Pembangunan Pemuda) by fostering innovation, leadership, and sustainable growth. We envision a future where the youth of Central Kalimantan are equipped with the necessary skills, values, and opportunities to enhance the quality of life and become active agents of positive change in their communities.

Mission

Empowering Youth through Education and Skill Development

We are committed to providing comprehensive training programs that focus on enhancing the personal and professional skills of youth in Central Kalimantan.

Promoting Youth Leadership and Civic Engagement

We strive to nurture future leaders by encouraging active youth participation in community development and decision-making processes. Through mentorship, leadership programs, and community-based projects.

Fostering Entrepreneurship and Innovation

By promoting entrepreneurship and innovation among the youth, we provide support for young entrepreneurs, helping them transform ideas into impactful solutions that drive local development.

Building Collaborative Partnerships for Youth Development

We collaborate with local communities, government agencies, and private sectors to create programs that address the diverse needs of youth in Central Kalimantan. These partnerships will help improve the overall well-being of youth

Leading Programmes

Kamu Fest

Kamu Fest is an event that has been successfully four times, with the latest edition attracting 100 participants. The event serves as a creative platform for attendees to gather, share ideas, and collaborate on various inspiring activities.

Mentoring Itah

Mentoring Itah is a comprehensive mentorship program designed to equip selected participants with the essential skills and knowledge needed for a successful transition after graduation. Through dedicated guidance and practical sessions,.

Kamu Fest 1

Kamu Fest 1 was held at Fovere Hotel, bringing together 40 enthusiastic participants for a weekend of learning, creativity, and collaboration. The event provided a space for individuals to connect, exchange insights, and explore innovative ideas that empower community engagement and social awareness.

As part of the field trip, participants visited Kedai Itah and Dermaga Kereng Bangkirai, where they engaged in hands-on social learning. The trip allowed them to observe local challenges, interact with the community, and formulate thoughtful solutions to real issues, making the experience both meaningful and transformative.

Kamu Fest 2

Hosted at Rungan Sari, Kamu Fest 2 brought together 50 passionate participants eager to expand their perspectives through shared experiences and discussions. The event continued its mission of nurturing creativity and collaboration among young changemakers.

This edition's field trip led participants to Pasar Kahayan and Pasar Besar Palangka, where they explored the dynamics of local trade and community interaction. The social visit encouraged them to identify pressing challenges in traditional markets and brainstorm innovative, community-based solutions.

Kamu Fest 3

The third Kamu Fest returned to Rungan Sari, gathering another 50 participants who were eager to dive deeper into social issues through experiential learning. The event emphasized teamwork, empathy, and critical thinking, creating an atmosphere where ideas could flourish and connections could grow stronger.

During the field trip to Hampalit Village, participants observed local livelihood activities and learned about the community's struggles and aspirations. Together, they reflected on sustainable ways to support local development and foster positive social impact.

Kamu Fest 4

Held at Aurila Hotel, Kamu Fest 4 continued the tradition of inspiring youth collaboration, this time with 50 participants engaging in both workshops and social learning experiences. The event encouraged participants to exchange creative perspectives and develop practical initiatives for community betterment.

The field trip to Mendawai and Puntun provided valuable opportunities to study real social challenges and propose actionable solutions. By directly engaging with residents, participants strengthened their understanding of empathy-driven leadership and the importance of community involvement.

Mentoring Itah

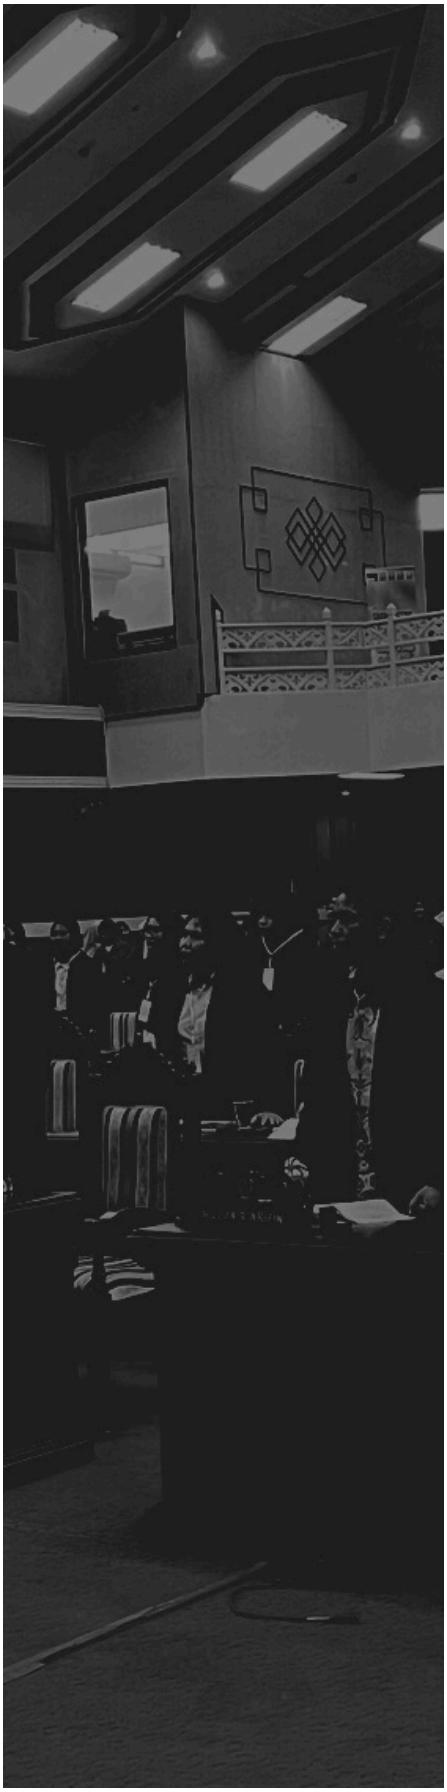

Mentoring Itah is a comprehensive mentorship program designed to equip selected participants with the essential skills and knowledge needed for a successful transition after graduation. Through dedicated guidance and practical sessions, the program focuses on three key pillars:

- Career Development: Mentoring Itah provides participants with invaluable insights into the professional world, helping them to build strong resumes, hone their interview skills, and understand various career paths.
- Community Engagement: We empower participants to become agents of positive change by guiding them through community service projects. This pillar emphasizes the importance of giving back to society and applying their skills to solve real-world problems.
- Human Resource Enhancement: The program is committed to boosting participants' personal and professional growth. We offer workshops and one-on-one mentoring sessions to strengthen their soft skills, leadership abilities, and overall self-development, ensuring they are well-rounded individuals ready to face future challenges.

Mentoring Itah is more than just a program; it's a journey to unlock your full potential and make a meaningful impact on both your life and your community.
